

1.0 INTRODUCTION

SSC is a legal entity incorporated. The main objective of the company is to offer independent third-party certification to organizations against various International Standards; (e.g., ISO 9001:2015 Quality Management System, ISO 14001:2015 Environment Management System, ISO 45001:2018 Occupation health and Safety & ISO 22000:2018 Food safety Management System).

2.0 CRITERIA FOR GRANTING CERTIFICATION

SSC may grant and issue the certificate to the client under the following criterion

- The client has a documented Management system that is laid in accordance to its scope of certification and that it conforms to the requirements of the applicable Management System Standard as mentioned above.
- The Client has implemented the management system and have completed at least one cycle of internal audit and management review of the management system established.
- Both internal audit and management review have been found effective as assessed by SSC auditors
- The client has paid all the dues including the certification fee
- The client shall keep a record of all complaints and actions taken and the same shall be submitted to SSC auditors for verification when requested.
- The client has undergone the stage-1 and stage –2 audit satisfactory and the recommendation of the audit team is favorable

3.0 CERTIFICATION PROCESS

3.1 CERTIFICATION AGREEMENT

the certification agreement is signed between SSC and the client for providing certification of the client's management system by SSC to the applicable international standard.

3.2 STAGE –1 AUDIT & DOCUMENTATION REVIEW

SSC shall conduct a stage –1 audit at client site to verify the adequacy of documentation with respect to the requirements of the applicable standard and also to understand and gather further information on the client activities and processes including applicable statutes, to plan for the stage –2 audit. The client shall satisfactorily resolve all the observations raised in document review along with other concerns / issues highlighted during the audit and the same confirmed to SSC before planning the stage –2 audit. SSC shall submit a formal report to the client.

3.3. STAGE –2 AUDIT

SSC's audit team shall visit the client's premises, as per an agreed plan, to verify effectiveness of the client's management system in meeting the requirements of the applicable ISO and other international management system standard. SSC shall submit a formal report to the client.

3.4 NON-CONFORMITY REPORT

If a nonconformance is detected during audit, a Nonconformity Report shall be issued to the client. For the non-conformities raised during the audit client shall submit the correction and the corrective action (based on root cause) to SSC office within 20 working days from the last day of the audit. SSC shall verify the submitted correction and the corrective action and confirm the acceptance of the same to the client. Client shall take the correction and corrective action within the stipulated date and submit the documentary evidence to SSC to verify the effectiveness of action taken and accordingly to close the non-conformances.

In case of a major non-conformance, the effectiveness of action taken shall be verified at client site by a follow up visit or as communicated by the team leader on the closing day of the audit. This shall be completed within 90 days from the last day of the audit.

In case of certification audit (fresh client) the SSC shall cancel the audit under the following conditions.

- a) Client does not submit Corrective Action Plan for the Non Conformity raised within 20 working days as stipulated above
- b) In case of major Non Conformity the verification of effective of corrective action is not completed within 90 days as stipulated above

In case of certified clients SSC shall suspend the certificate under the following conditions

- I. Client does not submit Corrective Action Plan for the Non Conformity raised within 20 working days as stipulated above
- II. In case of major Non Conformity the verification of effective of corrective action is not completed within 90 days as stipulated above

3.5 RECOMMENDATION FOR CERTIFICATION

SSC shall recommend certification of the client's management system, based on the following

- (a) SSC has reviewed the audit reports and has accepted the recommendations of the audit team
- (b) The client has submitted the correction and corrective action for the non conformities raised within the stipulated time and SSC has accepted the same
- (c) In case of a major non-conformance, the effectiveness of correction and corrective action is verified by SSC's auditors as agreed and the non-conformity either closed or downgraded to minor.

If the client is not recommended for certification SSC shall accordingly inform the client.

3.6 ISSUE OF CERTIFICATE

SSC shall issue the certificate against the applicable standard to the client provided that,

- SSC has verified the effectiveness of the corrective actions in case of major non- conformances or accepted the corrective actions for minor non-conformances as stated in section 3.4. or as required by the specific management system standard
- SSC has taken a decision in client's favor.

The Certificate is the property of SSC, and shall be produced to SSC as and when requested.

The certification will be valid for a period of one, two or three years from the date of approval of certification, subject to the satisfactory maintenance of the Management System as confirmed through agreed surveillance audits

3.7 SURVEILLANCE AUDIT

Surveillance audits shall be conducted regularly at the client site at least once in a year to confirm that the Client's Management System continues to conform to the requirements of the standard to which it is certified.

The surveillance audit shall be conducted within the three months preceding the certificate expiry date from the last date of the stage-2 audit and failure to comply with this requirement will lead to suspension and subsequently withdrawal of certification.

For the non-conformity raised during the surveillance audit the conditions stipulated in section 3.5 shall be

applicable

When it comes to unannounced audits as part of surveillance activities, SSC shall describe and make known in advance to the certified clients the conditions under which such audits will be organized and conducted.

In the case that a surveillance audit cannot be carried out because the client's operations are affected owing to factors outside its control, e.g.: employee union strike, natural calamity, etc. the case shall be presented to SSC for a decision.

SSC shall submit a formal report to the client

3.8 RE-CERTIFICATION AUDIT

The purpose of re-certification audit is to confirm the continued conformity and effectiveness of the client's management system as a whole and its continued relevance and applicability for the scope of certification.

The Re-Certification audit shall include site audit and shall consider the performance of management system over the period of certification and shall also include a review of previous surveillance audit reports. The re-certification audit may have a stage –1 audit in situations where there have been significant changes to the management system, the client or changes to legislation.

SSC shall conduct the re-certification audit at least 30 days in advance to the expiration of certification so that the client has time to implement corrective actions before the expiry of the certification

For non-conformities raised during the audit, the conditions specified in section 3.4 become applicable. SSC shall submit a formal report to the client.

3.9 SPECIAL AUDIT

3.9.1. SSC shall conduct special audits under the following conditions,

- (a) Extension of the scope of certification already granted, on the request of client. This could be clubbed with routine surveillance audit.
- (b) To investigate complaints received by SSC about the client.
- (c) Follow up audit in case of suspension.
- (d) Follow up audit for Major non conformance reported in any of the audits namely, certification, surveillance and re-certification
- (e) Changes in SSC's certification requirements
- (f) Transfer of certification
- (g) Reduction in scope as requested by the client
- (h) Decisions by the Certification Panel based on the results of the review of the audit reports to re-verify and confirm certain aspects of the management system.

3.9.2. In case of short notice audits to investigate complaint, response to changes and follow up of suspension, SSC shall select auditors from earlier audits done on the client, because of the lack of opportunity for the client to object to the audit team

3.9.3. For non-conformities raised during the audit the conditions identified in section 3.4 shall become applicable.

3.9.4. SSC shall submit a formal report to the client.

3.10 NOTICE OF CHANGES BY SSC

SSC shall inform the client in advance any changes to its requirements for certification and shall subsequently verify that each client complies with this requirement. It shall necessitate a special audit in certain cases.

3.11 NOTICE OF CHANGES BY THE CLIENT

Client shall inform SSC, without delay, any changes in the organization which may affect the certification granted and these may include changes related to,

- (a) The legal, commercial, organizational status or ownership,
- (b) Organization and management (e.g. change in key managerial, decision making or technical staff).
- (c) Contact address and sites.
- (d) Scope of operation under the certified management system.
- (e) Major changes to the management system and processes.

SSC shall review the changes and accordingly discuss with client for an early verification to ensure that the capability of the management system continues to fulfill the requirements of the applicable standard.

3.12 MAINTAINING CERTIFICATIONS

The Certification is maintained for a period of 3 years under the following conditions.

- (a) The Surveillance Audits are conducted as planned and the client has demonstrated that it continues to satisfy the requirements of the management system standard as confirmed by SSC.
- (b) All the non-conformance raised during previous surveillance are closed within the time frame agreed and correction and corrective actions for the non conformities raised during the current audit are identified and accepted by SSC as per conditions specified in section 3.4.
- (c) The Internal Audit and the management reviews are conducted as scheduled and there are no issues pending.
- (d) The client shall maintain suitable records of customer complaints and keep the records of investigation and remedial actions taken with respect to such complaints for verification by the SSC auditors.
- (e) All outstanding dues to SSC are paid.

3.13. SUSPENDING, RESTORING, WITHDRAWING OR REDUCING THE SCOPE OF CERTIFICATION

(a) Suspension

SSC shall suspend certification in cases wherein

- The client's certified management system has persistently or seriously failed to meet certification requirements, including requirements for the effectiveness of the management system.
- The client does not allow surveillance and re-certification audits to be conducted at the agreed frequencies.
- Wishful misuse of logo & reference to certification.
- Non compliance to submission of Corrective action as stated in section 3.4.
- Non-payment of dues to SSC

The suspension shall be for a period of maximum six months and the suspended status of the client shall be publicly made available in the register of certified clients being maintained by SSC at its registered office. During this period the client's management system certification is temporarily invalid and the client shall discontinue the use of logo or any reference of certification in advertising matter.

(b) Restoring

- Certification shall be restored after suspension if the client resolves the causes of suspension within a period of maximum six months from suspension date, the Audit will be conducted as Surveillance Audit (SSC-OP-07)
- Upon approval, the status of the client will be updated in the certified clients register and certification databases (SSC and IAF) to reflect the reinstated status. The client shall be formally informed, and authorization to use the certification logo shall be reactivated.
- The restored certificate shall be issued based on the decision

➤ The restored certificate shall retain its original expiry date

(c) Withdrawal

SSC shall withdraw the certificate under the following circumstances.

- (a) Failure of the client to resolve the issues of suspension within six months shall result in withdrawal of certification
- (b) Other reason like major legal complaint, company involved in malpractices, SSC loses accreditation etc.
- (c) Client voluntarily requested for a withdrawal.

Upon withdrawal of certification the client ceases to enjoy the certification status and the client shall immediately cease use and distribution of any literature, stationary etc. bearing the mark and also discontinues the use of any advertising matter that contains any reference to a certified status. The artwork supplied and all the original approval certificates are to be returned to SSC.

(c) Reduction in scope of certification

SSC shall decide to reduce the client's scope of certification by excluding the parts not meeting the requirements, when the client has persistently and seriously failed to meet the certification requirements for those parts of the scope of certification. Such exclusions shall be consistent with the certification standard.

Upon request from any party, SSC shall provide information related to the validity of a given certificate.

3.14. CERTIFICATION AND USE OF LOGO

SSC-PD-03 Conditions for use of Logo & Certificates gives detailed instruction for the use of logo

3.15. PUBLICLY ACCESSIBLE INFORMATION
